For most of us, getting ready for Thanksgiving involves making a list of the items that we are going to have for dinner, heading out to the store to purchase them, figuring out who we are going invite over for the meal and, on Thanksgiving Day, enjoying a great day of thanksgiving, football, food, and fellowship.

That is not the case for everyone…especially families who currently have an incarcerated loved one or who are otherwise in a difficult season of their lives financially. Of course, these are the exact people that the Lord calls us to serve and to reach out to in His name…the poor, widows, orphans, the least of these…no matter the cause of the circumstances that they now find themselves.

We have a great opportunity to practically demonstrate the love, mercy and compassion of Jesus Christ by coming alongside these families at a time for them which is very difficult. You can help and serve in a number of ways:

1. As an individual or a family, you can purchase the items necessary for a Thanksgiving meal for a family here in Camden…maybe two complete meals! You can collect the items necessary for a few meals from co-workers at your office, friends at school, or members of your church.
2. After you collect the items, hold onto them, and bring them to our Thanksgiving Dinner Food Box Assembly & Delivery Day on Saturday, November 21st at 11am. The location is The Fellowship House,1722 S. Broadway, Camden, NJ 08104
3. Don't have the time to go shopping? We have people ready to purchase complete meals for the families. If you would like to help in that way then please consider donating $50 which will cover the cost of the items for a meal. Maybe you can provide two or three meals!!! You can do that right through the Seeds of Hope website or click here or you can mail a check directly to our offices at 1700 S. Broadway, Camden, NJ 08104.
4. You can join us on Saturday, November 21st to assemble the food boxes and deliver a few Thanksgiving meals to the families.
5. Every way to serve is crucial. Please prayerfully consider how the Lord is directing you to serve with this awesome outreach. If you have any questions, please contact Jerry Cameron at jerry@seedsofhopeministries.org or at 609-238-6444. Thank you for considering helping in this way.
